

Corner cabinet carousel REVO US

REVO US is an alternative to the traditional Lazy Susan. It smoothly and effortlessly rotates the doors around the inside of the cabinet along with the shelving carousel. Upon returning to the front of the cabinet, the doors close automatically in a smooth and quiet way.

▶ Advantages

- Works for all cabinet types, (face framed or frameless).
- Gives an immediate access to your items stored.
- Closing speed of the doors can be adjusted without tools to best suit the comfort level of the user.
- Shelves are height adjustable allowing the consumer to set it to the level that best suits his or her needs.
- Holds up to 55 lbs (25kg) per tray.
- The side rail offers a clear view to all of the contents.
- Choice of 4 different trendy colors of shelves : Chrome-grey, chrome-maple, chrome-white and Champagne-Maple.
- Shelves are sold in a box of 2 trays
- Mechanism is sold separately.
