

Cuisio modular utensils and cutlery trays are now available in graphite color.

Application

- Kitchen drawer organization.
- Could be used in a closet application (ties, watches...)

Description

Cuisio modular utensils and cutlery dividers in graphite finish. Available in complete set or in bulk to personalize your organization.

Advantages

- The graphite color, answers to the new color trends on the market: grey.
- Aluminum profiles come in a stainless steel effect finish.
- Still offered in complete sets for 300, 400, 450 and 500mm (11 13/16", 15 3/4", 17 3/4" et 19 11/16") widths.
- Also offered in bulk to answer to any drawer widths, but also to allow you to personalize your organization to your needs.
- For a min. interior depth of 472mm.
