Soft stop (optional)

Lemans II: better performance, easier to install.

Products features

- Easy to order, offered in complete set: hardware, post and 2 trays in a single box.
- Shelves available in maple/chrome or grey/chrome Arena Style.
- CARB certified melamine shelves with anti-slip coating.
- Suitable for frameless cabinets, as well as face frame cabinets.
- To avoid any protrusion with adjacent cabinet handles for example, Le Mans II pulls completely out with a 85 degree door opening angle.
- Available for right and left opening.
- 25kg (55lb) weight capacity per shelf.
- Soft stop can be ordered as an option
- Spacer to be ordered separately if required for face frame cabinet application (see mounting instructions).
- The shelves are easily height adjustable.
- Trays can be moved out individually and completely
- The restrictor is fixed underneath the shelf and attached to the arm. It allows to reduce the opening of the shelf of around 20% and then to avoid shocking with the adjacent appliances.

693630 Restrictor

Some solutions just make more of corner space than others!

Le Mans II combines optimal space utilisation with a clear overview and beautiful action. You can store a lot of pots, pans, plates and each one is always in easy reach.

No more space wasted, Lemans is the answer if you set store by efficiency combined with stunningly good looks!

Often imitated, never equalled!
