

#4396140150

#4396140100

#3266100

**Arena baskets chrome/grey,
chrome/maple for 600mm cabinets.**

Application

- Can be used with Dispensa pantry unit and Dispensa Junior III for base cabinets.
- For cabinets with minimum interior width of 562mm (plain door application or framed door with a back panel).
- Can be installed in a 24" cabinet as well if plain door or framed door with back panel.

Features

- Shelf with chrome surround and anti-slip melamine.
- Carb certified.
- Offers a great solution for wider cabinets and perfect add on to the existing range.
- Can be used with Dispensa pantry unit system and Dispensa Junior III for base cabinets, which helps to harmonize the interior design of the complete kitchen.
- For Dispensa Junior III, front fixing brackets are included in the frame.
- For Dispensa Pantry Unit, order runner, frame and FF brackets separately or use our "one box" sets (#74260100 for example) and replace the front fixing brackets of the set with the ones adapted for the 600mm cabinet, means #3266100.
