

Ingenious solution for narrow
baskets (84 mm) !

Product description

Plastic mat with an anti-slip coating on both sides of the sheet for very high slip resistance, enhanced stability and adherence on the basket surface and noise insulation.

These mats have been specially conceived to be used with narrow basket systems such as: # 15297140, 15298140, 115399140 et 115400140.

Specially designed for the following systems:

**Try them and see
the difference!**

15297140 & 5298140

115399140

115400140

Specifications & Benefits

- Anti-slip coating on both sides allows **the mat to adhere firmly to the surface of basket** while **preventing items from sliding** and **maximizing the level of safety**.
- Helps to **reduce considerably the noise level** during the opening/closing of the cabinet .
- **Charcoal grey** mats that match **perfectly with the chrome gallery** of the basket.
- The sheet is made of material guaranteeing its **lightness and flexibility**. The **mat stays rigid and will never warp**. Your **basket surface will remain clean and free of deposit**, simply remove the mat and wash it occasionally.
- Each sheet measures 84 x 483 mm (3-1/4" x 19-1/16") and **can be cut to the desired size**.

Code

480483100
